1. The following is an examiner's statement of reasons for allowance: The prior art of record fails to show or teach applicant's claimed foldable treadmill comprising a tread assembly having front and rear ends and longitudinal sides; an A-frame assembly having a front support with a lower floor engaging end, an intermediate support having an upper end hinged to the front support and a lower floor engaging end; an inclination support having a first end hinged to the front support and a second end hinged to the front end of the tread assembly; an intermediate constraint having a first portion operatively attached to the intermediate support and a second portion attached to frame structure; wherein the inclination support is rotatable such that the second end of the inclination support vertically displaces the front end of the tread assembly and to rotate the tread assembly to a generally vertical orientation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Steve R. Crow whose telephone number is 571-272-4973. The examiner can normally be reached on Reg:8:30-6;Off First Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Justine Yu can be reached on 571-272-4835. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
